We have BICSI certified RCDD on staff. We hold certifications from Leviton, Panduit, Hubbell, Bogen, OnSSI, IQinVision and more. We employ multiple personnel with over 20 years of experience each in the Communications Industry.

One thing being in business has taught us: Great Service at a Great Price is an Unbeatable Combination. We know poor economic conditions have yielded a highly competitive marketplace and while we are confident in the service we provide, we are also committed to maintaining competitive rates. Allow us an opportunity to provide you with Great Service at a Great Price and experience the value we have to offer.

“MTS is your Technology Solutions Business Partner!”
